Teacher Conferences- All  
GPS Programs Closed

### FEBRUARY

- 4 Open House for  
Prospective Families  
2017-2018  
10:00am-1:00pm

## KND Bluebirds

Alexandra and Alison grated soap and other Bluebirds tore toilet paper to make clean mud. Ronan and Manvir compared the feel of clean mud to dirty mud. Colin, Violet and Ranvir experimented with cohesion. Two different drops of water color were placed on wax paper. The children then watched as the drops joined together and made a new color, which showed how water sticks to itself.

Thinking about Summer  
Camp is the best way to  
warm up this winter!

**Summer Camp Enrollment**  
has begun online!

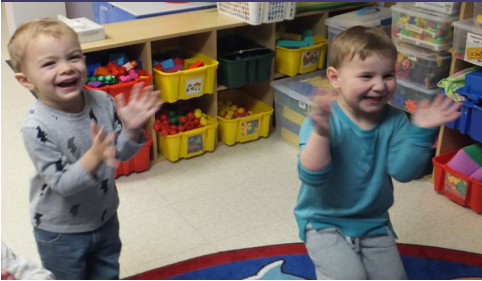

## Ducklings

Christian and Emme rolled the dice to determine how many stars or planets to put in their night sky play dough. Avery used pretzels and carrots to make an AB patterned sunshine during their theme on "Day and Night".

## 2 Day Bunnies

Luca and Kai moved their hands fast and slow encouraging the development of self-control. Skylar counted the bears during circle time. Eleanor matched a set of bears.

## 2 Day Bees

The Bees learned about Day and Night. Riley made an edible sun to enjoy for snack.

Nora completed an AB pattern to make a sun with pipe cleaners for sun rays.

## Lunch Bunch

Carissa, Miles and Riley enjoyed exploring shaving cream. Lunch Bunch friends Miraya, Jackson, Leah and Tania read books in the bear cave. Keeley and Kate made arches out of pipe cleaners and Froot Loops.

## Stay and Play

Emme used tweezers to pick up "snow balls" in the Kangaroo class!

## Parent Group News

The next parent group meeting will be Tuesday, January 24. Please be on the lookout for the evite!

## Spanish

KE Puffins played a game to learn Spanish vocabulary about pets. JK Lions played a game with the EggSpert to reinforce color Spanish vocabulary with Señora Inmon.
