KE Owls

Shelby, Lila and Jonah touched ice. Isabella squeezed a baster to push water through the structure. Addy applied mud paint to her picture with a Q-Tip. Krisha explored dirty mud while Michael and Lila explored clean mud! Jack counted the Mrs. Wishy Washy bubbles and circled the corresponding number. Calen, Shelby, Avery and Crosby worked together to complete the Mrs. Wishy Washy puzzle.

Thinking about Summer Camp is the best way to warm up this winter!

Summer Camp Enrollment has begun online!

Butterflies

Arin, Zach and Lillian sorted small, medium and large pompoms into the appropriate bowl. Zach and Nathan completed a Fish Glyph by answering questions about themselves. Lillian and Brody sorted fish into an AB pattern.

Thank you Zulandi family for donating the red wagon!

Eagles

The Eagles learned about the Chinese New Year. Dylan, Avery and Raahi worked on a dragon collage while Holden, Maggie, Brylie, and Sarah wrote their names in Chinese.

Lions

The JK classes took a field trip to the Loudoun County Bus Depot. Caleb measured himself with a bus tire. The Lions learned about the safety feature of the cross bar. Brooke's mom joined the Lions on their adventure!

Giraffes

Leah placed the appropriate number of colored dots onto the dogs after she placed them in sequential order.

Annalisa and Divya rolled the die to determine what color button to place on Pete the Cat.

Taylor's mom brought their dog, Reagan, to school while the Giraffes continued to explore their theme about Pets.

Music

Miya helped rebuild the water mitt when the KE Owls sang "WATER". Tyler helped to play the "WATER" song on the keyboard. Cooper, Tyler and Hana took a turn being "the doggies in the window" as the Frogs sang the song!
