- 27 Art Show

Ask a Golden Pond Kindergartner!

- Q:** Where is the foreground and background of this picture?
- A:** Foreground: princess
Background: castle
by Tyler Vemiel

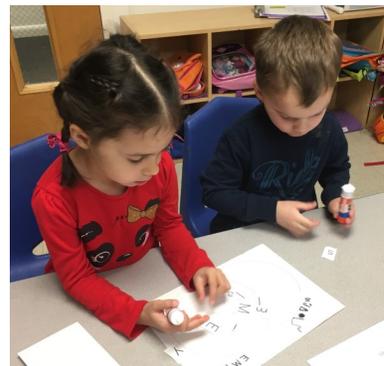

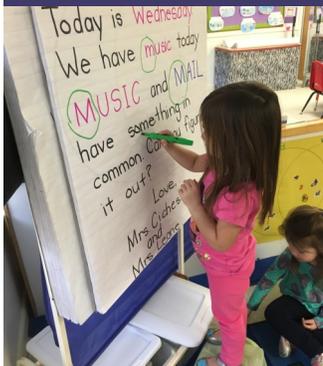

KND Robins

Dylan referenced the table of contents to read about a fox's diet. Raahi read about a group of prairie dogs and Cooper read about the platypus for

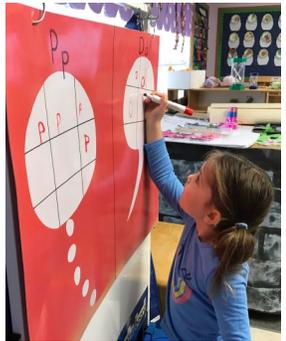

their underground animal research projects. The Robins had show and share with their favorite Dr. Seuss books. Rylan sorted math addition sentences after reading the Dr. Seuss book *Ten Apples Up on Top*.

Zebras

Olivia found the letter "m" in the morning message. Emily and Miles sorted the letters in their names into a Venn diagram. Leah made a Dr. Seuss hat with bananas, strawberries, and vanilla wafers.

Bears

Jett rolled the dice, and Allison recorded the letter Jett rolled. JK enjoyed a special ice cream treat inspired by *Should I Share My Ice Cream* by Mo Willems. Francesca and Adalynn used magnetic wands to search for letters in the sensory bin to create onomatopoeia words like boom and meow.

Spanish

KND Bluebirds and Robins played board games created by Señora Inmon to reinforce Spanish body part vocabulary. Kodi was excited when he got Bingo. Ajeet and Allie rolled the dice, advanced their "bone" to the corresponding square and named the body part in Spanish.

Monkeys

The Monkeys made a present for the Donuts with Dad celebration. Jordan mixed flour and salt. Joey added water. Sasha rolled out the dough to create a "donut".

Congratulations Dudley Family!

Parent Group News

The Parent Group will be selling CDs (\$15) of the Spring Sing performances. An order form will be e-mailed and will also be available on our Facebook page. Also, please RSVP for our Family Fun Night at Kids Plaza on Friday March 24. Admission is free and it will be a fun event for students and siblings. Thank you!
