

Preschool Campers

Preschool campers (ages 3 - 4) will discover a summer of friendships and adventures with our energetic counselors. We emphasize fun and independence with art, free play, movement and weekly in-house field trips. Campers must be 3 years old by September 30 and potty independent to enroll.

School Age Campers (SAC)

Golden Pond's School Age camp schedule is unique and without comparison. Our innovative ideas and creative themes provide enjoyment and inspire campers in an enthusiastic atmosphere as they explore new friendships and reconnect with old friends. School Age campers will enjoy in-house and off-campus field trips throughout the week.

HOW TO REGISTER

Visit www.goldenpondschool.com and find the link to download our program request and registration form. Please bring the completed forms to GPS. There will be a one-time \$50 registration fee for new GPS families only. What are YOU doing this summer?

Games Galore July 5th - July 8th

Roll the dice, spin the wheel or slide your game piece! Everyday is Game Day! From family favorites to new fangled fun, we will play until the day is done. Campers can be their own token on our life sized board or help build a one of a kind putt-putt course. Golden Pond campers - let the games begin!

The Lab Coat July 11th - July 15th

Find inspiration and think out of the box as we delve deep into concepts of sound, air and matter in our STEM camp. Lab coats and imaginative experiments will be provided for all ages! Experiment with screaming balloons and even watch matter change into a tasty treat right before your eyes!

Finger Lickin' Fun July 18th - July 22nd

Cups aren't just for drinking out of anymore! Stir up a scrumptious breakfast, a delicious lunch and a sweet treat - all in a cup! Join us as we get a little cheesy, create edible picture frames and sweet candy paintings!

What Goes Up, Must Come Down July 25th - July 29th

Defy gravity with an epic egg drop! Campers will be challenged and entertained as they experiment with magnets, mazes, catapults and inclined planes. The week will end with magnificent geysers and fizzing experiments - activities designed to bring the house down!

Water Works August 1st - August 5th

Put the splish in your splash as we celebrate the hottest days of summer! Chilly ice races, floating art and water limbo are just a few of the cool water-centered activities and fun we have planned! This 'hot' water theme is sure to cool everyone off!
