KND Bluebirds

Kodi and Alison stamped paint-soaked sponges onto black paper making bricks to transform the loft into the Giant's castle. Ronan, Santi and Simran built castles. Alexandra and Violet played a "Greater Than, Less Than" game to race up the bean stalk. Colin "cracked" Jack's egg to build "ack" words.

Ducklings

Aadhya placed the correct number of hearts in the appropriate column. Sami laced a heart with red ribbon.

KND 100 Days of School

Michaela tilted the tray to roll wooden balls through paint in the Kangaroo class.

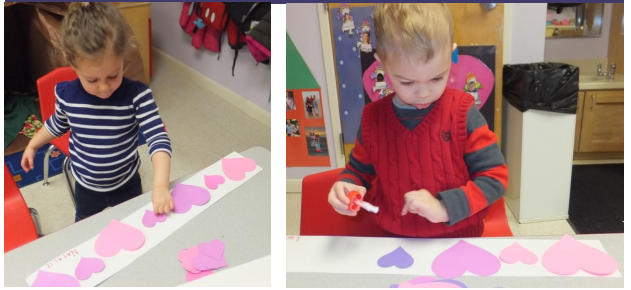

2Day Bees

Aubree and Lainey strengthened their fine motor skills by hanging mittens on a clothes line after the Bees read *Three Little Kittens*. Riley spelled out her name in hearts to decorate her Valentine's bag. Beau decorated a heart with tissue paper hearts.

2Day Bunnies

Natalie and Luca made an AB pattern using big hearts, little hearts. Ellie and Isa gave themselves hugs with their patterned hearts! Skylar laced a heart for her Valentine bag.

Stay and Play

Aadhya, Aubree and Lydia searched for fish in water beads. After reading *Pete the Cat and Four Groovy Buttons*, Michaela and Charlie sorted colored buttons into the correct corresponding bowl. Sushruth sorted his goldfish by color. Emme placed the accurate number of fish onto the corresponding numeral in the fish bowl.

Spanish

The KND Robins reviewed numbers playing ¿Qué número es? Tyler, Allie, Ajeet, and Holden placed a secret number on their headband. The Robins gave them clues using “more or less”, más o menos, to determine their number!
