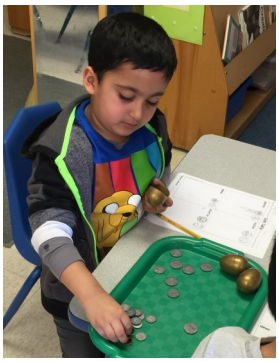
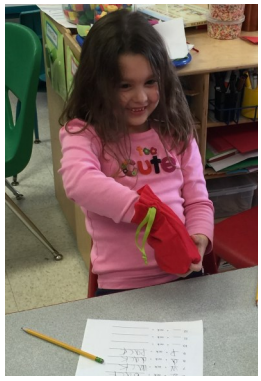
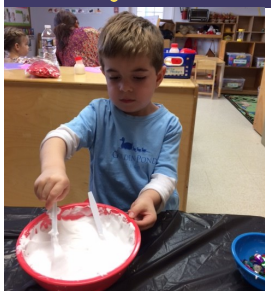
KE Puffins





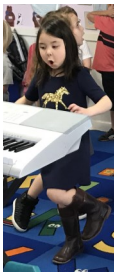
Sadie, Sydney and Kayla sequenced the story of *Jack and the Beanstalk*. Nathan and Preston planted magic beans. Deepto sorted and tallied money found in golden eggs. Sadie pulled consonants out of a mystery bag to build "ack" family words. Emily counted magic beans to make addition sentences.

3Day Bees



The Bees explored Pat-A-Cake. Ari mixed "batter" for glue and shaving cream cupcakes. Stella placed "batter" into a cupcake tin. Sophie made an oven for baked goods. Emily and Marcus spread frosting on their cakes. Lillian marked her first initial on her cake using sprinkles.

Music



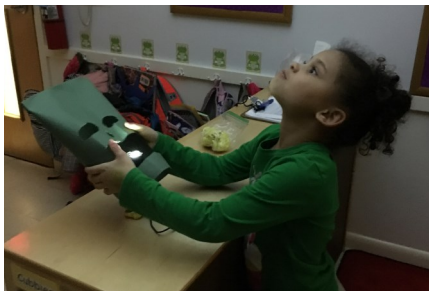
KE Owls learned the song *Fee Fie Foe Fum* referencing the Big Book! JK Bears danced after reading Mo Willems' *Elephants Cannot Dance!* Sophia, Dylan, Francesca, Ian and Abigail were "Doin' the Pigeon" with Ms. Foster in music.

Turtles

Madeline and Sydney string words with letters.

Keeley worked on an alphabet puzzle.

Falcons



The Falcons learned about light and dark. They cut faces out of construction paper, formed the paper into a tube and sealed the top. Vishwa and Maddie placed flashlights inside and observed the light designs on the ceiling.

Frogs

Cooper took a turn stirring alphabet soup. Sammy built a letter with wiki sticks, and the Frogs watched to guess which letter he built.

3Day Bunnies

Maddie put on winter clothing; she chose one glove and looked for its match. Giselle and Dylan helped *The Three Little Kittens* find their matching mittens.
