KE Puffins

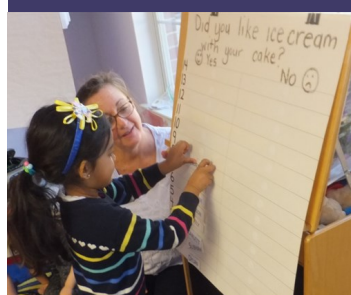

Colette, Tori, Sydney and Sadie sorted coins found in mystery boxes under their correct values. Yuvi, Sarah, Avery and Nathan created inequality equations with rabbits and carrots as a team in the pocket chart. Nathan and William worked together to help create the Puffin class underground animal mural. Emily and Kayla played with this month's theme, Underground Animals.

Frogs

Rafa squeezed water color through shaving cream clouds to make rain. Hana and Cooper made weather announcements. Ashar raced pompoms across a color chart and tallied the results.

3Day Bunnies

Zarina graphed "yes" that she does like ice cream with her cake. Dylan and Emmy helped the Little Red Hen make the Bunnies' delicious cake. Maddie covered wheat seeds with water.

3Day Bees

The Bees went on a walking field trip for their transportation theme. Mrs. Culfogienis opened the hood of a GPS school bus. The Bees peered through the emergency exit of a school bus and observed the license plate on a GPS van. Sophie and Lillian sat inside the bus!

TURTLES

Violet explored the dramatic play weather station.

FALCONS

Timmy and Cruz built rafts out of sticks in a STEM challenge. James' raft supported an apple!
